**Join our dealer network
and grow your business with the best
trailers on the market!**

Poland is a dynamically developing country with a strong economy and growing business potential. We are **the only company on the market** with such a large innovation base and comprehensive execution. Modernity, an individual approach to the customer, and the highest production quality are the pillars that distinguish **OUR company**.

We constantly follow global trends and adapt to them on an ongoing basis, setting industry standards. Polish manufacturers are valued for their reliability, precision, and advanced technologies, which make our products exported all over the world.

Operating within the European Union, we guarantee the highest quality standards and access to modern technological solutions. Cooperation with Polish companies ensures reliability, competitive prices, and professionalism at the highest level.

ZPtrailers

Your Trusted Partner in the Trailer Business!

Are you looking for a reliable supplier of high-quality trailers that will meet your customers' expectations? **ZPtrailers** is a company that supports dealers in offering the best solutions for various industries. We are a leader in the comprehensive production and supply of catering, commercial, construction, sanitary, event trailers, and many more. Our company supports dealers by offering comprehensive, reliable, and fully customized solutions tailored to customer needs.

Thanks to our **advanced CNC machinery park**, we can precisely process materials, ensuring the highest quality and repeatability of production. CNC technology enables precise cutting, drilling, and milling of components, which translates into durability, aesthetics, and the perfect fit of every detail in our trailers. The use of modern machines minimizes human errors, increases efficiency, and allows for the realization of even the most demanding projects.

We operate internationally, and our professional team provides support at every stage.

WHY IS IT WORTH WORKING WITH US?

✓ 100% POLISH PRODUCTION

- Own production hall of 5,000 m² in Szamoty, 10 km from Warsaw.
- Cooperation with renowned Polish suppliers.

✓ INNOVATIVE MATERIALS AND MODERN TECHNOLOGY

- Facade made of lightweight and durable TK-Bond composite panels.
- Thermoactive sandwich panels with an XPS core for the best insulation.
- Laminates certified for food contact.
- Structural elements resistant to moisture, temperature, and mechanical damage.

✓ INDIVIDUAL APPROACH TO THE CUSTOMER

- The possibility of personalizing every detail of the trailer – from construction to branding.
- Online configurator for precise project customization to customer needs.

✓ SAFETY AND CERTIFICATIONS

- Homologation compliant with European standards.
- Compliance with sanitary requirements (Sanepid, OHS).
- Safety systems – AL-KO brakes, a steel frame, and hot-dip galvanized chassis.

✓ EXCELLENT CONSISTENCY AND QUALITY

- Advanced CNC for cutting, milling, and drilling for perfect precision.
- Elimination of human errors and ensuring ideal fit of every component.

✓ STRONG BRAND AND EXPERIENCE IN THE EUROPEAN MARKET

- Projects for major companies and well-known individuals.
- Presence in the European market: Germany, Austria, Switzerland, Ireland.

✓ WIDE RANGE FOR VARIOUS INDUSTRIES

- Catering, commercial, office, event, sanitary, and social trailers.

✓ ADVANCED PERSONALIZATION AND CUSTOMIZATION

- Support in designing a unique appearance and functionality of trailers.

✓ COMPETITIVE PRICES COMPARED TO WESTERN MANUFACTURERS

- High quality at a better price than Western suppliers.

ZPtrailers

BENEFITS FOR DEALERS

Dedicated Sales Representative for Dealers

- Individual support and assistance at every stage of cooperation.
- Help in optimizing orders for the local market and dealer network.

Marketing Materials for Dealers

- Professional photos of ready-made trailers that can be used in promotional campaigns.
- Ready-to-use marketing materials (catalogs, brochures, leaflets, graphics for social media).

Guaranteed Profitability

- Attractive discounts and terms supporting sales growth.
- High-quality products ensuring stable revenue.

Technical Support and Consulting

- Dealers receive comprehensive training and assistance at every stage of sales.
- Direct contact with a dedicated consultant.
- Possibility to visit the production facility to see the manufacturing process live.

Flexible Financing Options

- Leasing options, installment payments, and attractive financing forms.

Fast Order Processing

- Short delivery times thanks to optimized production and parts storage processes.

DESIGNER OF YOUR BUSINESS VISION

WALLS AND ROOF COVERED
WITH METAL PROFILES

THERMOACTIVE SANDWICH PANEL WITH
A THICKNESS OF 33 MM
LAMINATED EXTERNAL COATING
XPS CORE
LOAD-BEARING WALL REINFORCED
WITH PLYWOOD PANEL

FRONT SALES WINDOW

COMPLETE ROAD LIGHTING
COMPLIANT WITH ROAD
CODE REGULATIONS

DETACHABLE
DRAWBAR

STEEL FRAME, HOT-DIP GALVANIZED

WHEELS: 195/50R10C, 195/50R13C, 195/50R14C

2 AL-KO / KNOTT BRAND OVERRUN BRAKES

CHASSIS EQUIPPED WITH 4 SCREW JACKS,
A HITCH, AN OVERRUN BRAKE,
AND A HANDBRAKE

WATERPROOF PLYWOOD FLOOR:

INCREASED ABRASION RESISTANCE

The trailer is ready for use in various applications.

READY TRAILERS

OFFICE TRAILER 3 M

Technical Data

Internal dimensions:	Length: 3000 mm Width: 2350 mm Height: 2300 mm
Maximum permissible weight:	1300 kg
Number of axles:	1 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

CATERING TRAILER 3.2 M

Technical Data

Internal dimensions:	Length: 3200 mm Width: 2350 mm Height: 2300 mm
Maximum permissible weight:	1300 kg
Number of axles:	1 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

ICE CREAM TRAILER 3.2 M

Technical Data

Internal dimensions:	Length: 3200 mm Width: 2350 mm Height: 2300 mm
Maximum permissible weight:	1350 kg
Number of axles:	1 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

CATERING TRAILER 4.2 M

Technical Data

Internal dimensions:	Length: 4200 mm Width: 2350 mm Height: 2300 mm
Maximum permissible weight:	2200 kg
Number of axles:	2 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

READY TRAILERS

CATERING TRAILER 5.1 M

Technical Data

Internal dimensions:	Length: 5100 mm Width: 2330 mm Height: 2300 mm
Maximum permissible weight:	1350 kg
Number of axles:	2 braked Knott
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

COMMERCIAL TRAILER 5.1 M

Technical Data

Internal dimensions:	Length: 5100 mm Width: 2330 mm Height: 2450 mm
Maximum permissible weight:	2500 kg
Number of axles:	2 braked Knott
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

SOCIAL TRAILER 5.5 M

Technical Data

Internal dimensions:	Length: 5500 mm Width: 2350 mm Height: 2300 mm
Maximum permissible weight:	2700 kg
Number of axles:	2 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

SOCIAL TRAILER 6.1 M

Technical Data

Internal dimensions:	Length: 6100 mm Width: 2350 mm Height: 2400 mm
Maximum permissible weight:	2700 kg
Number of axles:	2 braked AL-KO
Wheels:	165/50R10C / 165/50R13C / 165/50R14C

WHAT WE DO

Take advantage of our ready-made solutions and customize them to your needs, or let us build a trailer based on your individual project.

CATERING TRAILERS

We manufacture catering trailers from high-quality materials, ensuring durability and resistance to weather conditions.

CONSTRUCTION TRAILERS

We produce specialized construction trailers designed to provide comfort and workspace on construction sites.

EVENT TRAILERS

Custom-made trailers for event agencies.

COMMERCIAL TRAILERS

Custom-made trailers for trade and commerce.

SOCIAL TRAILERS

We manufacture high-quality social trailers, ensuring comfort and working conditions on-site.

SANITARY TRAILERS

We manufacture sanitary trailers that meet the highest hygiene and sanitary standards.

HOW TO START COOPERATION?

Contact us to receive detailed information about our offer for dealers and learn about our cooperation terms. Together, we can provide your customers with trailers that meet the highest expectations.
